

Attention Fifth Grade Students and Parents!

Walk Your Way to Science Camp!

Alta Vista Home & School Club will contribute a portion of the funds collected by your child for the Walk-a-thon towards Science Camp tuition.

In order to qualify, a minimum of \$40.00 must first be collected in donations. Science Camp tuition is expected to cost \$300 per student for the 2017-2018 school year. After the \$40.00 minimum donation, 100% of the next \$300 collected will be credited to your student's Science Camp tuition account. To completely pay Science Camp tuition through the Walk-a-Thon, a minimum of \$340 in pledges and collected donations will be required (\$40 + \$300).

Parents: Pledging a flat donation to bridge the difference between other pledges obtained by your child and the \$340 total outlined above ensures that your child's Science Camp tuition is completely funded. Larger pledges may qualify your child and his/her class for additional prizes, and will benefit many of Alta Vista's enrichment programs.

Thank You!
